

Hello from St Benet's Abbey.

Ideas of Flight: tickets now available!

To celebrate the completion of the Conservation, Access & Community project, the Norfolk Archaeological Trust has invited The Voice Project Choir back to perform their stunning outdoor choral performance of *Ideas of Flight* at St Benet's Abbey in June, accompanied by the Trio Zephyr String Trio - and a group of local St Benet's Abbey volunteer singers.

'Swirls of ideas and flocks of birds taking flight, soaring to emotional and intellectual delights...' David Porter EDP May 2013

Norfolk Narratives: *St Benet's Abbey and its literary connections at Wroxham Library*

Norfolk Narratives is a promotion being held across all Norfolk Libraries as a celebration of Norfolk literature and a range of Norfolk-related activities. The promotion is being held from 12th April to 19th May and every Norfolk Library will be holding an event.

As part of this, I shall be giving a talk and some readings at Wroxham Library on *St Benet's Abbey and its literary connections* on Thursday 15th May 6pm-7pm. An exploration of connections with Betjamen, Ransom, Shakespeare, boating, monks and murder - should be fun!

Free but booking essential - please call Wroxham Library on 01603 782560.

Wroxham Library's display will include a selection of photos of the Wroxham area and *St Benet's Abbey*, chosen from the county council's Picture Norfolk website. The display will also feature a selection of brand new fiction and non fiction books relating to Norfolk to tempt people to find out more about the county of Norfolk.

Best wishes,

Caroline Davison.
